

Sliquid Organics

SILK

OUR ALOE AND SILICONE BASED
HYBRID INTIMATE LUBRICANT

Offering women a healthier choice, this glycerine and paraben free natural intimate lubricant has been blended with organic botanical extracts that heal and support the body. All Sliquid products are formulated for women's safety, and help minimize the risk of yeast infections, bacterial infections, and UTIs. Organics Silk offers the longevity of a silicone lubricant, with the easy clean up of a water-soluble product.

THE ULTIMATE CHOICE FOR PEOPLE

- Free of propylene glycol & glycerol
- No sugars or artificial sweeteners
- pH balanced neutral
- Vegan friendly & cruelty free
- 100% Recyclable packaging
- 100% Made in America

Love your Body!

ALOE BARBADENSIS (Aloe Vera Leaf Juice) is the juice from the leaves of the aloe vera plant, which makes the base ingredient for the Organics line of products. Aloe Vera has been used by people for centuries due to its natural lubricating and healing properties.

ORGANIC AGAR AGAR (from Red Algae) is a naturally occurring plant matter, used to create the body and thickness of the lubricant.

HIBISCUS & FLAX are added as restorative and healing emollients, restoring elasticity to the skin, while **Green Tea** is an anti-inflammatory.

CYAMOPSIS (Guar Conditioners) is a non toxic and natural additive that enables the plant cellulose fiber to move and feel incredibly slippery.

DIMETHICONE is a non toxic, medical grade silicone that adds longevity to the lubricant and makes it feel incredibly slippery.

ISOPROPYL PALMITATE is a palm oil based thickening agent, which also softens the skin.

CITRIC ACID (Citrus Fruits) is used as a natural antiseptic/astringent cleanser and preservative. It is combined with the smallest amount of **Potassium Sorbate**, which is a natural preservative that also works as an antifungal. The combination of these two keeps unwanted bacteria and mold away, and extends the shelf life.

ORGANICS SILK INGREDIENTS: Organic Aloe Barbadensis Leaf Juice*, Organic Agar Agar, Natural Tocopherols (Vitamin E), Organic Extracts of Hibiscus, Flax, Green Tea & Sunflower Seed, Isopropyl Palmitate, Polysorbate 20, Dimethicone, Emollient Ester, Potassium Sorbate, Citric Acid
