REINVENTING PLEASURE

ENGLISH INSTRUCTIONS

Remote A with Silver surround controls PulsePlate™.
Remote B with Gold surround controls partner motor.

TURNING ON

Press (power button) for 2 seconds. The toy will pulse twice. PULSE is now in standby mode.

Short press (power button) again or hold (circle button) on Silver remote for 2 seconds to start PulsePlate™.

CONTROLLING PULSE PLATE

Press (+) and (-) buttons on toy or Silver remote to adjust PulsePlate™ power.

Press (lightning button) on toy or (crown button) on Silver remote to access Turbo mode.

Short press (power button) on toy or (circle button) on Silver remote to cycles through patterns.

Remote can be removed from wrist strap.

TURNING OFF

Pressing (circle button) on Silver remote for 2 seconds returns toy to **standby mode**.

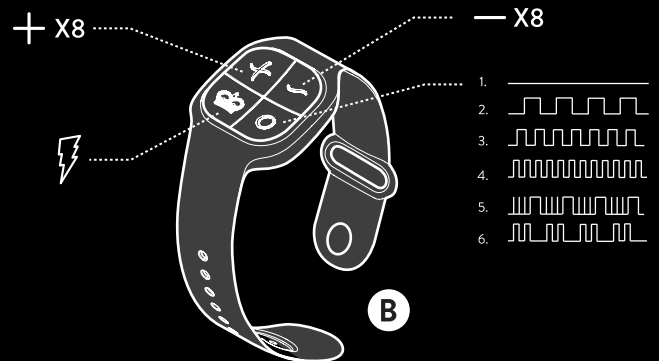

Press (power button) on toy for 2 seconds to **switch off**.

CONTROLLING PARTNER MOTOR

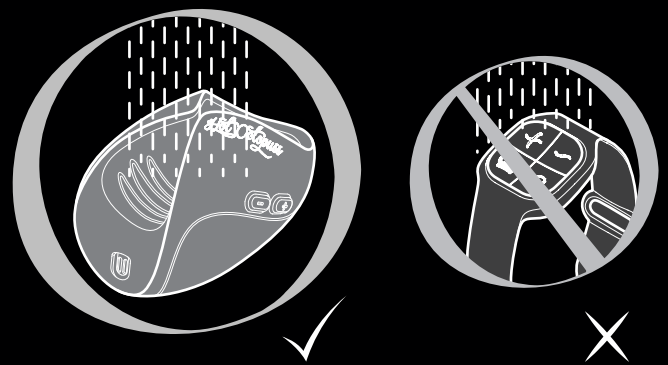

With toy in **standby mode**, press (circle button) on Gold remote for 2 seconds to turn partner motor on/off.

On Gold remote press (+) and (-) to adjust power, (crown button) to access Turbo mode and (circle button) for patterns.

Charge for 4 hours before first use. When cable is attached LED on cable will light RED. When charged LED will turn GREEN. Charger will only work when connected the correct way.

PULSE is water resistant; remotes are not water resistant.

"Hot Octopuss products are covered by various global IP rights including copyright, patent applications, patents (including US patent number 8,552,080, 8,900,120 and 5,923,107), and registered designs (including European Community Design Registration No. 002078762).

Made from skin-safe silicone. Does not contain phthalates or latex. Use with water based lubricants only. Sold as an adult novelty. Discontinue use if irritation or discomfort occurs. To avoid injury or aggravating pre-existing skin conditions, do not use on swollen or inflamed areas, or lacerated skin. No medical claims are warranted or implied by the use of this product. Designed by Hot Octopuss, London in Great Britain, assembled in China. PulsePlate and Hot Octopuss are registered trademarks.
